

Motor Power up to 320kWh with more than 400 km range

Leading technology that prioritizes battery efficiency

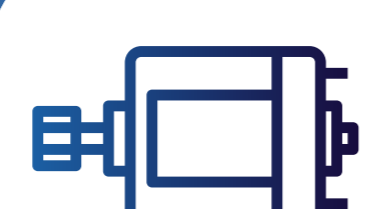

Extensive Warranty

## Extensive Warranty

Battery 8 years

Motor 5 years

Body 1 year

AC 1 year

## Powerful Engine with 430HP and 320kW power

### Chassis Dimension

Length	11.745 mm
Width	2.496 mm
Wheelbase	6.300 mm
Front Track Width (FOH)	2.215 mm
Rear Track Width (ROH)	1.890 mm

### Performance and Battery

Battery Type	LG Cell
Battery Capacity	348 kWh
Charging Standard	CCS2
Charging Duration	80 minutes (DC @300kW)
Range (max)	450 km*
Nominal Voltage	680 V

\*Based on certain conditions

### Driving Motor

Max Power [kW/rpm ; HP/rpm]	320 kW/1800 rpm
Max Torque	2200 / 1350 Nm/rpm

 **Passed Homologation**
